

Dear Gematria Friends

We would like to share our latest news and special offers with you.

In these challenging times it is easy to forget to take proper care of ourselves. Having a balanced and healthy immune system is a crucial part of achieving optimum health.

For us at Gematria who support natural and alternative approaches to health we believe the current environment offers the perfect opportunity to practice what we preach and remind ourselves of the importance of supporting the immune system through dietary, lifestyle and nutritional approaches.

Nutritional medicine is based on the concept that it is the person that counts not the disease. Every individual will for a variety of reasons react differently to the surrounding environment. Using nutritional supplements may help to boost immune function and promote optimum health.

Use Gematria Nutritional Supplements to your advantage and boost your immune system naturally

Vitamin C Complex - formulated to provide immune support. Vitamin C is a water-soluble vitamin. It is often used to support and maintain a healthy immune system. It may also support a healthy nervous system and assist better absorption of iron from the diet. It may help to boost energy and vitality, whilst enhancing general wellbeing.

Gematria's Laser Enhanced Vitamin C complex has been designed to provide you with four sources of Vitamin C combined with a flavonoid complex to enhance its bioavailability.

Immune Boost - supports immune cell function. Immune Boost™ is an oxygen boosting formula that contains highly absorbable trace elements and enzymes for optimum immune support.

This formula may also have a balancing and energising effect.

ASAP Solution
The ASAP Solution® is an ionic silver mineral supplement. It includes 10 ppm silver utilizing American Biotech Labs unique patented silver technology. It is designed to provide immune system support.

GemWater News

We are proud to report that the launch of our new range of GemWater activators has been a great success.

This month we are adding to our collection two new models made from PVC making them more affordable and allowing more people access to a pure energised source of water.

These new versions of the GemWater activator are available in various sizes and incorporate the same functions and principles as the original stainless steel versions. For more information please visit www.gemwater.net

NEW WEBSITE

We take huge delight in presenting our new Gematria website. We have spent considerable time and effort in developing this new service and hope you enjoy the benefits it has to offer. Our goals regarding the website are easy access, clear navigation, and interesting information available in a number of languages.

A special Request....please give us your feedback! We value your opinions and are always looking for ways to develop and improve our business, if you have any comments about our new website, products services or any other points then please send us a mail at Europe@gematria.net

Special Offers!!

Order ANY 5 products before the 30 June and receive a 10% discount

Special Promotion - ReCharge

ReCharge is a nutritional energy booster and anti-oxidant formula. Whether it's due to stress, overwork, not eating properly or other factors from time to time most of us can be susceptible to bouts of low energy. Fortunately, with proper rest and a bit of self-nurturing, the body is usually very efficient at rejuvenating itself. However, there's nothing wrong with giving it a helping hand – and that's exactly what ReCharge has been designed to do.

It is based on compounds that have been shown in research to have a profound effect on longevity and wellness [Vitamin C (as Acerola cherry extract), Vitamin E (as D-Alpha-Tocopherol), Vitamin B12 (as Methylcobalamin), Biotin, Selenium (as L-selenomethionine), Acetyl-L-Carnitine, L-Carnitine, Purified Nuclein Extracts, DMAE (Dimethylaminoethanol), N-Acetyl-Cysteine, Phosphorylated Purified Nuclein Extracts, L-Taurine, Choline, Alpha Lipoic Acid, Resveratrol, CoQ10].

ReCharge contains a combination of factors that re-energise the body by restoring optimum function to the mitochondria, the energy producers inside each cell. This potent liquid formula also contains amino acids that work to improve mental activity, and protective antioxidants which may help to repair the deep structure of tissues and organs.

Order 5 RECHARGE before the 30 June and receive 15% discount

And finally a date for your diary....

October 3/4 2009 - LifeCode Seminar Hamburg
(For tickets or more information please call our UK office on 01444 47 11 47)

We thank you for taking the time to keep up to date with Gematria news.

Enjoy the spring!

With Best Wishes

The Gematria Team
